

NATIONAL EMERGENCY LIFE SUPPORT (NELS) SKILL LAB HUBLI.

BACKGROUND INFORMATION.

[Ministry of Health and Family Welfare](#) has launched National Emergency Life Support (NELS) courses for Doctors, Nurses and Paramedics. Apart from the training modules, the program also includes developing training infrastructure in all States/UTs to implement the NELS course and creating a cadre of trainers to train doctors, nurses and paramedics working in emergency departments of the hospitals and ambulance services.

The NELS provides standardized curriculum which is based on Indian context and developed in India.

The activities under the NELS entail developing emergency life support training modules for doctors, nurses and paramedics after experts' consultations and based on the Indian context, setting up and equipping skill centres in medical colleges under Center/States to impart skill-based training on emergency life support for all categories of health functionaries, 120 skills centres to be established under SFC (FY: 2021-26) (out of which 90 skill centres are in various stage of development). This initiative will lead to creation of a pool of trained doctors, nurses and paramedics in the country with skills to provide standardized emergency life support and reduce mortality due to medical emergencies. This will contribute to overall disaster preparedness and response capacities in providing emergency clinical care.

NELS course is comprehensive and deals with the management of medical emergencies, surgical emergencies, cardiac emergencies, respiratory emergencies including ventilator management protocol for COVID-19 and other disease, trauma-related emergencies, obstetric emergencies, paediatric emergencies, Snake bites, poisoning etc.

In Karnataka 4 NELS Centres established. Out of that KIMS Hubli MOU Between Mr. A K Arora Deputy Secretary MOHFW GOI, New Delhi and Smt. V. Manjula Additional Secretary MOHFW(Medical Education) Govt. of Karnataka Along with Dr D D Bant Director KIMS Hubli was signed on 27th March 2018 for the period of 5 Years. Due to Covid out break, Centre establishment was delayed till 2022.

FINANCING NORMS

The proposed grant – in aid will be 100% shared by the MOHFW GOI for setting of skill centres and training of Doctors, Nurses and Paramedical personal of the state/Region. One time grant -in- aid of Rs 290000/- (Two crores ninty lakhs) would provided for establishing the skill centres and for procuring Equipment's and materials.
